THANK YOU MESSAGE

Dear Friends & Colleagues,

It was our great pleasure in welcoming all of you to the 19th IFHIMA International Congress at the InterContinental Festival City Hotel, Dubai, United Arab Emirates from 17 - 21 November 2019. We would like to thank all members of the committees for their dedication in helping us put together a successful congress, rich in scientific content and well planned and executed over the course of 4 days.

In the coming years, we aim to further international improvements in all departments and we intend for our community to continue to educate, to collaborate through research and development and to continue to learn through shared experience.

We would like to thank our esteemed faculty and industry partners who have provided and continue to provide their support and assistance to the congress.

Together we will continue to progress in our educational program that caters to all departments and related specialties.

We hope the congress exceeded your expectations and offered an exciting scientific event.

Yours Sincerely,

Marci MacDonald

19th IFHIMA International Congress is being held for the first time in the Middle East!

The IFHIMA Congress is held every three years in one of the 20+ sovereign member countries spanning five continents, the last being held in Tokyo, Japan in 2016 and this is the first time it is taking place in the Middle East.

The Congress Theme, "Empowering HIF Professionals through a Global Voice" supports the work and importance of the professionals and practitioners, and highlights the ever-increasing political changes and challenges faced throughout the healthcare industry.

The International Federation of Health Information Management Associations (IFHIMA) is proud to celebrate its 50th Golden Jubilee in Dubai, November 2019, and invites you to be in attendance to engage and network with fellow Health Information Management and other professionals. Don't miss the golden age our internationally recognized and respected Kasei speakers, invited guests and a fascinating array of presentations and workshops are delivered over the 5 days of Congress activities.

Congress Themes

- Remote Code Management
- Health Information Management

Keynote Speakers From

- Global Health Markets
- UK's History of Health
