

JUNE BRONNERT

IFHIMA President-Elect Candidate

Nominated by AHIMA (USA)

Advancing quality health information through leadership, collaboration, and innovation.

IFHIMA National Directors and Deputy Directors:

I am seeking your vote for IFHIMA President-Elect to help elevate the global HIM profession at a time of rapid change in technology, AI, interoperability, and data governance.

MY COMMITMENT:

My commitment is simple: listen across regions, strengthen partnerships, advance innovation, and ensure every voice, including LMICs and Small Island Developing States (SIDS), helps shape IFHIMA’s future.

Together, let’s strengthen IFHIMA’s global voice and future-ready impact.

PROVEN IFHIMA SERVICE

- Long-time active member of IFHIMA’s ICD-11 Community of Practice.
- Leading IFHIMA’s Strategic Partnership Pillar reinforces my commitment to collaboration and global influence.

STRATEGIC PARTNERSHIPS

- Committed to positioning IFHIMA as a respected voice in the global healthcare ecosystem.
- Focused on collaboration, trust, and shared global objectives as Vice President, Global Clinical Services.

FUTURE-READY HIM

- Speaker on AI and the HIM profession at the 2025 Focus on the Future IFHIMA series.
- Committed to innovation grounded in HIM values and professional growth by pioneering new paths for HIM professionals

LEADERSHIP I BRING

- Three decades in the HIM profession guided by the belief that quality health information improves lives.
- Strategic leadership across HIM, health informatics, terminology, coding, interoperability, and global stakeholder engagement.
- Experience developing people, programs, partnerships for emerging and established HIM professionals.

PRIORITIES AS PRESIDENT-ELECT

- Support leadership development and professional growth across all regions.
- Champion the growth of HIM in Low and Lower-Middle Income Countries (LMIC) and Small Island Developing States (SIDS)
- Advance innovation while preserving HIM’s core values.
- Expand strategic partnerships and IFHIMA’s influence in the global healthcare ecosystem.

Your vote matters. Support June Bronnert for IFHIMA President-Elect.

Together, we can advance IFHIMA’s vision of “a healthy world enabled by quality health information.”
